## LINING OUT STOCK FOR SPRING 1944

We specialize in grafted Juniper, they are worked on Red Cedar understocks and grown in 2½" pots.

We are favored with ideal climatical conditions and an abundance of choice understock and our many years of experience in growing this product has caused us to be accused of growing superior material.

The Varieties most often planted are listed below, inquire for prices:

Juniper Virginiana Burki  
Juniper Virginiana Cannarti  
Juniper Virginiana Dundee  
Juniper Virginiana Elegantissima  
Juniper Virginiana Glauca

REPORTING ON OUR JUNIOR MEMBER

CPL. W.R. (JEFF) VERBURG.

After nearly 2 years of service in Hawaii, he has been transferred to Australia where he is with a Medical Detachment. Sure hope this war will be won soon for we need that young fellow, as well as the other boys, --- plenty bad.

NICK
